

Jetstar Update

Dear Valued Trade Partner,

From 1 July 2023, Jetstar will remove the capability for travel agents to make ticketless bookings in GDS. Travel agents who wish to continue making Jetstar bookings in GDS will need to issue a Hahn Air (HR-169) tickets (available globally) or Qantas (081) tickets (available only in Australia, New Zealand or Korea).

Travel agents who don't have ability to issue QF or HR tickets have the following options:

- Pay with Agency Credit or Credit Card on Agent Hub
- Book through a consolidator who can issue QF or Hahn tickets

If you have any other questions, please feel free to reach out to us via email at [Trade team](#) or on [Live Chat](#).

Thank you for your continued support of Jetstar.
